Sir,

Sub - Acquisition of properties in Belur Town for the formation of a conservancy lane

GOVERNMENT

I have the honor to forward herewith the entire file of records relating to the above and to state as follows -

1 The Belur Municipal Council have resolved that certain occupied properties which are mostly vacant sites ~~etc~~, hittals may be acquired to form a conservancy lane for the use of the public

The Mahazardars have stated that they have no objection to the acquisition of the properties, but Sri Nagoji Rao and Kondaiyya have protested against the acquisition of their properties But their objections are untenable so far as the purpose of acquisition is for a public purpose

The total extent tobe acquired is 353 1/9th sq yds The Mahazardars have estimated the market value at ₹255/- taking each site valuation separately, so I consider that this valuation seems to be fair and reasonable also The Municipal Council have deposited a sum of ₹293/- to the Treasury to meet the cost of acquisition

In view of the above facts I request that sanction of Government may kindly be obtained to the acquisition of the properties, the Sub Division Officer, Saklespur being authorised to perform the functions of the Deputy Commissioner under L A Act Considering the urgency of opening the conservancy lane the draft notifications under Sec 17(1) of L A Act have been enclosed duly countersigned Twenty five spare copies of the same may kindly be caused to be supplied to the Sub Division Officer, Saklespur

Yours faithfully,

Deputy Commissioner,
Hassan District
